In September I had the privilege of going to the World Seminar in Baltimore, Maryland. I drove out there with some of Cora Dale's colleagues. I had a wonderful time. I was able to go to several different workshops. Most of them were on fundraising. I came back with a few interesting ideas of what we could do for Lexington House. It was really interesting listening to different kinds of fundraisers that different Clubhouses did.

I also went to a workshop on Reach out. The power of Reach Out. This is a huge thing that Clubhouses can do for their colleagues. There are many different ways we can reach out to a colleague. Phone call, text, cards, mobile/ in person and so much more. Reach Out is a task that we as a Clubhouses try to do on a daily basis. Living with a mental illness is extremely difficult. Just receiving a simple reach out is huge to some people. It helps them know that people do care about them, and they want to see them. There were so many

workshops, but I didn't have time to take them all.

The seminar was right along the Harbor. So, I was able to take a daily walk along the Harbor. One night we were there we took a small cruise on the Harbor. It was a beautiful evening and ride.

World Seminar Continued...

It was beautiful watching the sunset on the cruise. Since it was a World Seminar there were Clubhouses from all over the world . It was wonderful meeting all different kinds of people and learning about what they do at their Clubhouses.

I would like to thank Lexington House and our Board for trusting me to represent Leah G.

Lexington House. I can't thank you enough for letting me go on this trip. You don't realize how much this has meant to me. I had a wonderful time, and I can't wait to share with you all what I learned. Thanks again.

THEN (2020) and NOW (2022)

On September 3rd, 2022 Lexington House of Elkhart celebrated its two year anniversary as a Clubhouse. Below are just some examples of how we have grown.

How has Lexington House impacted you in your life?

It has helped me a lot. Everyone is so friendly here at the club.

What are some interesting facts you'd like to share about yourself?

A couple of months ago I went to the Elkhart Grand

Prix, which I raced in in the early 90s when I was in my 30's. I also finished 5 fifth place out of 75 carts in the Yamaha Heavy class at AGP which was pretty good back then . In 94' I won the great lakes championship club racing in Buchanan, MI .

What are some hobbies or interests you have (favorite music/artist(s), favorite movies, favorite TV shows, favorite foods)

Favorite bands are Led Zeppelin and Deep Purple. My favorite movies are gran Torino and Heart-break Ridge. I also like driving RC cars.

Van Decals

At a recent program meeting, our colleagues came to a consensus to put Lexington House decals on our van. Since getting the decals put on, some of members have expressed how much they love them.

“I am loving our van decals! It helps us to identify the van when we are

waiting for a ride, and now we look like an established business and people know that we mean business!” Latavia H.

Socials

On Friday September 16th, a few of our colleagues went to the Elkhart vs. Penn football game. We found a parking space quickly and went to stand in line to get in. The line wasn't very long, so we got in fast. At half time the band played, and there was a quick game to see who could get down the field the fastest to kick a field goal. It was a close game. Penn won with 21 points and Elkhart had 20. We really enjoyed watching this game and we hope to get to see another one soon.

On Saturday September 17th, 4 colleagues of Lexington House met to play video games. We had a lot of fun playing different games. Savannah was the best at the games but some of our other colleagues got some wins. One colleague just wanted to watch but we did get him to play for a little bit. We all had fun and cant wait to do it again.

On Tuesday September 20th, 6 colleagues of Lexington House met right after the work-ordered day to be creative with arts and crafts. We had a few different kinds of art. Some of us used colored pencils/oil pastels and paper, others painted on canvas, we even had one person who colored in a coloring book, but over all we had a blast finding our artistic side.

We hope to do this social again soon.
